# Lost Creek Ranch

## Working Student Program

A unique equine opportunity for motivated students

**Now Accepting Students for spring/ summer 2011**

### **Get the experience you need to see if a career in the equine industry is for you**

Lost Creek Ranch in Ellsworth, WI is a horse ranch with an active riding school program as well as camps, children programs and the training of young and rescue horses.

The working student program is run in a relaxed, friendly, family atmosphere, with strong emphasis on basic horsemanship, correct riding, barn management, teamwork, leadership and organizational skills.

The students are exposed to every aspect of running an equine business.

#### **Gain hands-on experience in:**

Safe horse handling, groundwork, grooming, equine nutrition, general medical care and more. Many of the horses students work with are rescues and have special needs.

This a physical job that also includes daily chores such as feeding, watering, cleaning stalls and general maintenance of fencing and shelters.

#### **The Fun Stuff**

Working students learn to ride and have the opportunity to learn to train and show. For every 10 hours worked students receive a group lesson taught by Lynette Weldon.
